Description

Yakka Orange/Navy Hoodie

Further adding to safety is ribbed knit fabric on the waist and cuffs to keep the jumper secure and out of the way when you're working.

Plenty of storage space is offered in two utility pockets either side of the jumper, kangaroo pouch pockets and twin pencil pockets with contrast fabric in the left sleeve.

Ultra warm and ultralight the poly-cotton fleece won't weigh you down and, like all Hard Yakka gear, is built to last with metal eyelets on the hood to reinforce drawstring holes, bar-tacked stress points for extra strength and a low-pill acrylic fleece to resist the build-up of little balls of material often found on other jumpers after a few washes.

UPF Rating 50+
