Description

Easy Access EasyStep Platform Stepping Stool

Looking for a safe and sturdy plastic stool in NZ that's perfect for tradesmen work? Look no further than the Easy Access EasyStep.

This safety stool is designed with tradesmen in mind, with a weight capacity of up to 150kg and a non-slip surface that ensures you can work with confidence and security. It is also fluoro orange to make sure it is easy to spot.

The EasyStep is lightweight and easy to move around, making it a convenient addition to any job site giving you an additional 365mm of height for those quick tasks that are just out of reach. And with its compact design, it's easy to store in your vehicle or workshop when you're on the go. They stack together if you are storing more than one, making them one of the best step stools in NZ.

So if you're looking for safety step stools in NZ that are perfect for tradesmen work, the Easy Access EasyStep is the ideal solution. Its sturdy construction, non-slip surface, and weight capacity make it a reliable choice for electricians, plumbers, carpenters, and other tradespeople.
