C4440K	MM310 (Standard Castors)	$2,995.00

Description

Easy Access MM310 Mini Mobile Scaffold Tower

Easy Access Aluminium Mini Mobile Scaffold Tower – Double height pack. This pack consists of 2 full tiers where the platform sits in the middle of the second frame.

Perfect for indoor and tight access areas. The Base unit fits through a standard doorway.

Very quick to erect with one person. No separate ladders required as the frame is a ladder for climbing up the tower internally.

Choose between standard castors (MM310) or adjustable castors (MM310A). We recommend adjustable castors for outdoor use to be able to adjust for uneven terrain to keep the tower level.
