Description

Monstar Step Safety Step

The Monstar Step is the only plastic safety step that has superior design features over existing injection moulded safety steps available in New Zealand. The Monstar Step is a quality and cost effective solution. Designed to be durable, safe and robust the Monstar Step will outperform other similar safety steps in longevity and strength.

Monstar Step has a larger, safer area of non slip tape including an indentation on the lower step so the tape will not wear away – ensuring longevity of non slip surface.

- Large Deck size 370mm x 370mm
- Fully fitted with non-slip tape
- Four way access
