

Graco Pump Kit 695/795 (248212)

Brand: Graco
Code: C2277-4

\$229.00 +GST \$263.35 incl. GST

Description

Graco Pump Kit 695/795 (248212)

Use to repair the following models:

- Graco Ultra Max 2 695
- Graco Ultra Max 795

Includes seals, packings, inlet and outlet balls, Teflon washers etc.

New Pump kits need to be installed when paint leakage is detectable at the top of the piston rod or undue pressure loss when spraying. Must be installed by a competent person.
