Makita 3000mm Guide Rail Protector Bag

Brand: Makita
Code: C1717

$163.90 +GST $188.49 incl. GST

Description

Makita 3000mm Guide Rail Protector Bag

Many contractors are turning to plunge circular saws with rail systems as a more portable option to table saws for breaking down sheet goods and other cutting applications. For easy transport and storage of Makita® Guide Rails (sold separately), the Premium Protective Guide Rail Bag is an ideal accessory.

The Guide Rail Bag is constructed of tear-resistant and water-repellant material. It easily accommodates guide rails up to 3m in length. Interior pockets secure shorter guide rails and a zippered pocket on the front provides extra storage space for clamps and other accessories. Adjustable hook & loop straps secure the guide rails in place. The shoulder strap system has quick release buckles for added convenience. The bag has a large zipper pull for easy opening and closing, even when wearing gloves.
