Description

Festool 150mm ETS Back Up Pad

This replaces the 496148 backing pad and offers truer performance, less vibration, and longer life.

Fusion-Tec pads are the latest in high-performance back-up pads

The new Festool Fusion-Tec pads are completely compatible with all current Festool 150mm machines including Jetstream and Multi-Jetstream hole patterns

Soft Pad with regular density for general purpose sanding applications

Jetstream design ensures highly effective dust removal, cleaner air, better finishers and longer pad and abrasive life

Compatible with

- Festool ETS150/3
- Festool ETS 150/5
- Older style Festool RO 150E (Pre 2008)
