

Festool Insulation Saw Blade DSB 240/G

Brand: Festool
Code: C5508

\$46.00 +GST \$52.90 incl. GST

Description

Festool Insulation Saw Blade DSB 240/G

Cut insulating materials with ease.

- For use with the ISC 240 Insulation Saw.
- For PU and polystyrene insulation boards, hard rockwool and glass wool.
- For rigid and compressed insulation materials.

The cross-set saw blade is specially developed for use with the SG-240/G-ISC cutting set. It facilitates the machining of virtually all pressure-resistant insulating materials up to a thickness of 240 mm.

- Simple tool-free assembly
- T-shaft adaptor for easy saw blade changes
- Can be used for material thicknesses up to 240 mm
- replacement saw blade for SG-240/G-ISC cross-set cutting set
