

Festool Suction Hose D27/32mm 3.5m

Code: C2357

\$351.60 +GST \$404.34 incl. GST

Description

Festool Suction Hose D27/32mm 3.5m

Smooth and even more effortless – for perfect sliding over the surface.

The Festool suction hose: Smooth and elastic – with a smooth exterior for significantly improved handling, a longer service life and increased suction power. The CLEANTEC connecting sleeve ensures a secure fit on the tool – you decide when it is disconnected, not chance.

- Robust, smooth outer skin prevents the suction hose from becoming caught
- Internal, extremely elastic suction hose for maximum flexibility
- Conical geometry (27 mm to 32 mm) for improved suction power
- The CLEANTEC connecting sleeve securely connects the suction hose and power tool with bayonet fitting
- The CLEANTEC connecting sleeve allows you to individually set the air flow rate using the infinitely adjustable bypass
- With RFID chip for automatic suction hose detection
- The initial and end pieces of two suction hoses can be connected to each other and consequently extended by plugging them together
- antistatic
- temperature-resistant to +70 °C
