

Festool Reducing Sleeve D27

Brand: Festool
Code: C2951

\$54.95 +GST \$63.19 incl. GST

Description

Festool Reducing Coupling Sleeve D27 DM-AS/CT

The integrated bayonet fitting connects the connecting sleeve on the suction hose securely and quickly to the extractor connector on the power tool, and it can be detached just as quickly. You decide when, not chance. It can be used for tasks from sawing to routing, whether in the workshop or on-site. This enables work to be carried out efficiently, cleanly and systematically and reduces hazards to health. Dust-free.

- Secure and slip-proof connection between the mobile dust extractor and the power tool
- Extremely compact dimensions ensure ideal handling with the power tool
- Rotating adapter prevents the hose from twisting
- Antistatic
- Hose connector for electric tool or suction nozzle the bayonet fitting produces a secure connection between the mobile dust extractor and the power tool
- 27mm Diameter
